

# FLY ME AROUND *Kenya*

7 DAYS / 6 NIGHTS

SAMBURU NATIONAL RESERVE - MAASAI MARA -  
LUMO COMMUNITY WILDLIFE SANCTUARY

# WHERE ARE WE *Going?*

## SAMBURU NATIONAL RESERVE

Set on the banks of the Ewaso Ng'iro River and neighbouring the Buffalo Springs National Park, Samburu National Reserve is characterised by a spectacular landscape of rugged hills, undulating plains and riverine forests. The park is home to abundant wildlife

including a variety of rare species such as the Reticulated Giraffe, the long-necked Gerenuk, Somali Ostrich, Grevy's Zebra, and Beisa Oryx. Visitors can also enjoy spotting over 900 elephants, a variety of predators, and over 450 bird species. The ancient traditions of the Samburu people remain vibrant here, offering a rare glimpse into two remarkable customs. First, witness how each herdsman's unique call guides his cattle with precision. Then, experience the powerful dances performed by tribesmen—rituals that have been passed down for centuries.

## MAASAI MARA NATIONAL RESERVE

The Maasai Mara together with Tanzania's Serengeti form Africa's most famous wildlife park, the Maasai Mara National Reserve. For many, the sight of Acacia trees scattered across vast grass plains captures the essence of Africa. The undeniable highlight of the

Maasai Mara National Reserve is undoubtedly the annual wildebeest migration traversing the vast plains of the Serengeti and the Maasai Mara. It is known as the largest mass movement of land mammals on the planet – with more than a million animals following the rains. Large prides of Lions, herds of Elephants, as well as Giraffes, Gazelles and Eland can also be spotted in the reserve. Aside traditional vehicle safaris, hot-air ballooning over the Mara plains has become almost essential.

## LUMO WILDLIFE CONSERVANCY

Located in the Taita-Taveta County in Kenya, the Lumo Community Wildlife Sanctuary stretches over 600 square kilometres, adjacent to the Taita Hills Wildlife Sanctuary and the Tsavo West National Park. This community-run sanctuary provides ecotourism

services to protect the wildlife of the Tsavo Region, and is known for its big cat and Elephant populations. Visitors will also be able to spot Cape Buffalo, Lion, Giraffe, Zebra, Hartebeest, Leopard, Impala, Thomson's Gazelle, Lesser Kudu, Dik-Dik, and a variety of birdlife, including endemic species like the Taita Apalis and the Taita Thrush.

# WHAT WE *Offer*

## GAME DRIVES

Set out on unforgettable game drives in open 4x4 vehicles, led by highly skilled guides with Silver and Gold level certification. With years of experience and deep knowledge of the land, they know exactly where to go and when—bringing you close to some of Africa's most iconic wildlife at just the right moments. Whether it's tracking a pride of lions at sunrise or spotting a rare bird in the treetops, your guides are passionate professionals who share both big game encounters and the quieter, often overlooked details of the bush.

## STARBED EXPERIENCE

At Soroi Larsen's Camp in Samburu, a night in the starbed offers something quietly unforgettable. The bed sits beneath a glass top, open to the night sky. As you lie back, you can watch the stars move across the dark, clear sky—no filters, no barriers, just the rhythm of nature overhead. The air is cool, the silence broken only by the distant call of Hyenas and Lions or the rustle of palms in the breeze. An outdoor bathroom lets you shower under the open sky, with the scent of local plants in the air. If you choose, a private dinner can be served on the tower beside your bed:

simple, quiet, and just for two. The lantern light flickers against the wood, and the horizon fades into soft blues and greys as night settles over the bush. It's a moment to feel present, unhurried, and deeply connected to the land around you.

## SUNDOWNERS

During this safari, you'll enjoy two unforgettable sundowner settings. In the Mara, our Out of Africa experience places you on the open savanna, where the sky turns shades of gold and crimson, wildlife calls echo in the distance, and drinks are served from a custom-designed sundowner vehicle.

At Lumo Conservancy, take in panoramic views from a heated infinity pool perched on a hilltop, as the sun dips below the horizon and the bush comes alive with evening sounds.

Two landscapes, two moods—one perfect end to the day.

# WHAT WE *Offer*

## SPA & MASSAGES

We've included a complimentary 30-minute neck and shoulder massage at Soroi Lions Bluff, enjoyed in the comfort of your room with stunning views of Mount Kilimanjaro and the Lumo Conservancy.

For a wider selection of natural treatments and full-body massages, feel free to visit our spa at Soroi Larsens Camp—available at an additional cost.

## SUNSET SAFARI/NIGHT GAME DRIVE

Begin your adventure with an afternoon game drive through the stunning landscapes of Lumo Conservancy. As the sun begins to set, we'll pause in the savannah for a scenic drink—surrounded by the golden glow of dusk and the sounds of the wild.

From there, your journey continues into a night game drive, offering a rare opportunity to witness the conservancy's nocturnal wildlife in action.

You'll return just in time to enjoy one of our delicious

dinners. Alternatively, if you prefer a later start, you can join the night game drive after dinner instead.

## PHOTO HIDES

At both Soroi Larsens Camp and Soroi Lions Bluff, we have two dedicated photo hides that you can visit during your safari. Whether you choose to go during the day or at night, each visit offers a unique perspective and the chance for unforgettable wildlife encounters—up close and undisturbed.

Perfect for photography enthusiasts or simply those who want to observe nature from a whole new angle.
